Great work bobby!!!!!!!!!!!!...it sounds like loukoumi in the hands of Stathi and Mike...excuse me for asking some off the wall dumb questions though; where did you buy the ebony for the fret board---did you cut the inlay for the fret board----did you cut the ebony for the bridge yourself---what strings did you utilize for this bouzouki? thx

....Does the bouzouki come with Free Case and 10 Free bouzouki lessons from Mike and Stathi if purchased with the **BUY NOW** option?
