Hello again cretan, I have been reading your posts and I would have to say I'm really impressed. You also said that you are very good friends with CHRISTOS TSOLIS , there's been so much great posts on TSOLIS it's make me feel really good inside that I sent my bouzouki to him to get repaired, it's a 25 year old BOBBY KLEFTOYIANNI one of a kind , I bought this one from a very good freind of mind, ALEX GALAS , the VASILIS TSITSANIS of bouzouki players in my mind 🎵👍 First of all I am more greek than american but I dont read or write it like I want to 🤔 But this what's makes it easy for me CHRISTOS TSOLIS speaks great english,and this is very comfortable for me. I have never had the opportunity to play or feel tsolis work before, I will wait for that day 😊 The bouzoki's that I play is , KLEFTOYIANNI'S and one KARANDREAS, my

two favoriote 🇬🇷 . My wish is also to have a 8 string & 6 sting ZOZEF . CRETAN the post with the musicians is that you CRETAN ,and if so what night club is this called and where is it located. One more thing CRETAN your BAKLAVA-KATAIFI CHEESECAKE is waiting for you , just e-mail me at AGTERRIS@ADELPHIA.NET . It was a pleasure logging on again , until next time CIAO PATRIOTI 🇬🇷🇬🇷

Hello **CHEESECAKE** 😊
Thank you and soon I will send you an email. 😊

Paidia, the previous Sunday **Bobby** went with my good friend **Mike Stoupaki** to a wedding , and gave him my bouzouki to perform at that night on his PA system, to check also that way how it will sound **electronically** since Mike has a very good PA system .

Up to now I was so pleased with the acoustic sound 🇬🇷🇬🇷🇬🇷 🇬🇷

Mike use it for a long time that night and later on we had a phone talk and he said that he was very pleased with the sound and general with the playability of my bouzouki 🇬🇷

Now **Bobby** just put the first varnish coat for protection on the instrument 🇬🇷 and he sand me a few photos to share it with me 😊 ... and me with you guy's 🇬🇷😊

Watch also the natural fire flairs on the soundboard 😊

To make me extra happy 🇬🇷😊🇬🇷

He sand down the hand and back of the instrument and now it look's like new 😊

Enjoy the first coat guy's ...lol
Here are some photos .
